Dear member,

We will once again be hosted by the beautiful Hanover Marriott in Whippany, N.J. There have been some schedule changes. Please take note of these changes when preparing students for this event. New categories include "three" age groups for both the Idol & Musical Theatre categories, Junior & Senior categories for Jazz Voice, and Dancing. On the website, there is a student festival schedule sheet. Please use it as this will alleviate any confusion when the student registers at the festival. This year instead of an Awards Banquet, we will have an Awards Concert on Sunday afternoon. "Cavalcade of Champions". The 1st place winners in the Major Categories will perform. Each contestant will receive a free ticket for this concert when registering.

The Hotel has given us a special rate of \$92.00 per night for Friday & Saturday nights. You must mention M.A.M.T.G. when reserving your rooms. (Reservations - 800 - 228 - 9290) Cut off date for special rate is March 15th. The tentative schedule is as follows and is "subject to change".
